Family Homework

Oak

Parents drew the outline of the football. Sayhan chose the colour and helped to colour the ball in.

Nursery Blossom and Cherry

I made a football table with my mum and my dad. I played with it when it was finished and I did draw the people.

Nursery Blossom and Cherry

I made a mini-basket ball. I made it with my mum. I played with it with my brother and my brother scored 14 points.

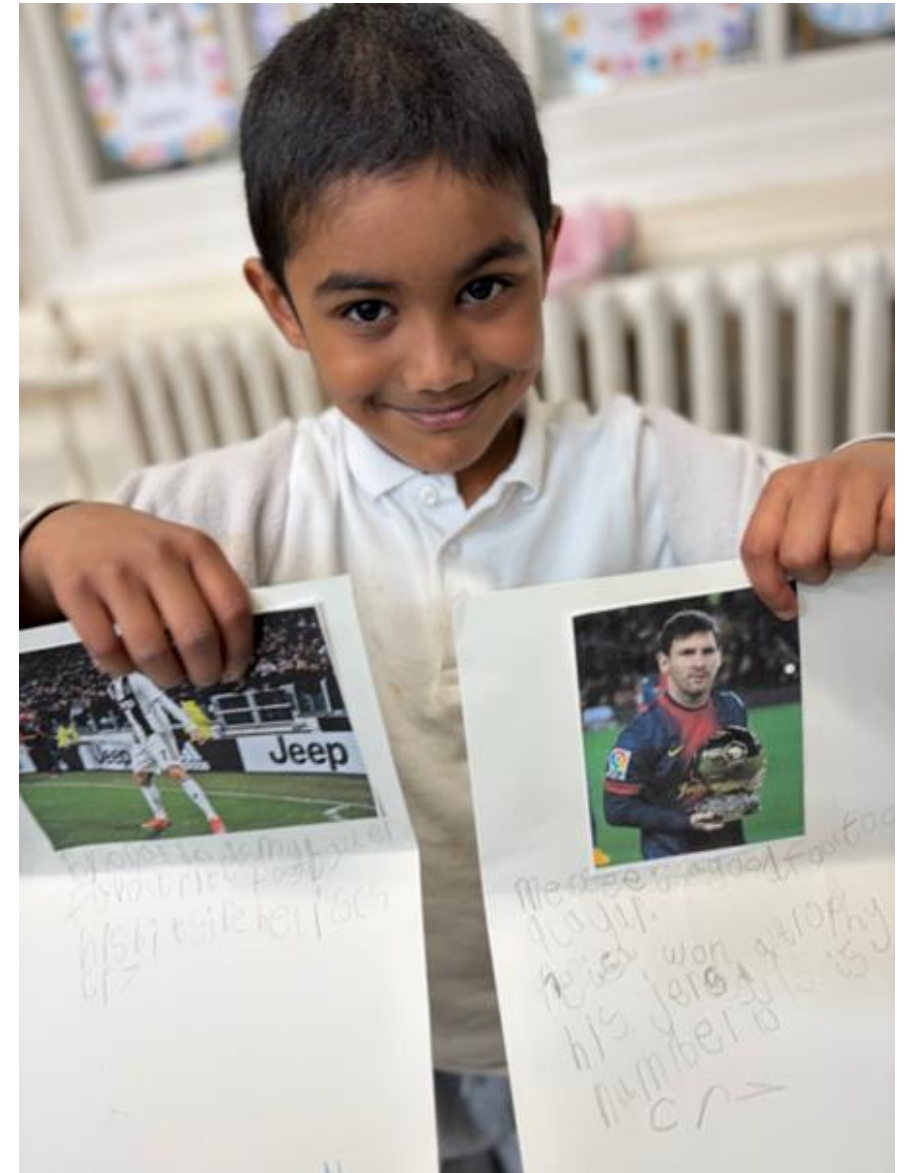

Wisteria

I made a tennis bat and ball, I never played tennis before, but I am going to learn. I made it with my mum and coloured them in.

Wisteria

I made a poster of Messi and Ronaldo because they are my best football players. My dad printed the pictures and we did some writing together.

Chestnut

I made it with
my mummy, it's
a pool.

Chestnut

My mum made this
with me. It was fun.

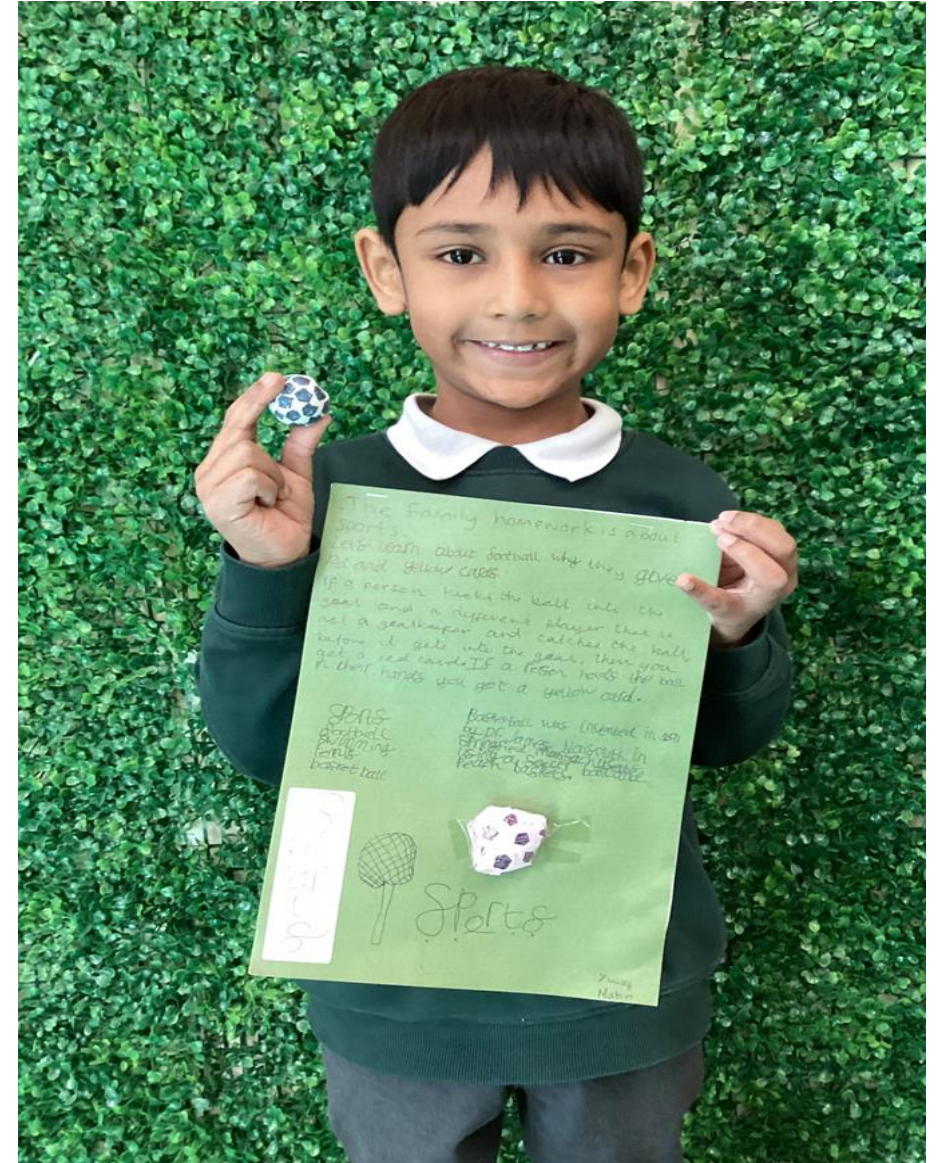

Mulberry

I used card, tape and straw, my dad helped me. I made a gymnast.

Mulberry

I made a football
using dry clay.

Juniper

I made a football stadium.
I used a big cardboard
box, lolly sticks, match
sticks and lots of tapes
and paper. I really like my
homework. I think it's
cool.

Juniper

I used a foam box, paper. Tape and paint. My uncle helped me with the hard things like cutting the box. I enjoyed making the people and joining things on.

Willow

Me and my mum made an athletic stadium and we cut out some shapes and we glued them on. My dad drilled a few holes and then me and my mum put the sticks in. Then my mum cut out bits of paper and wrapped it around the sticks. We took turns.

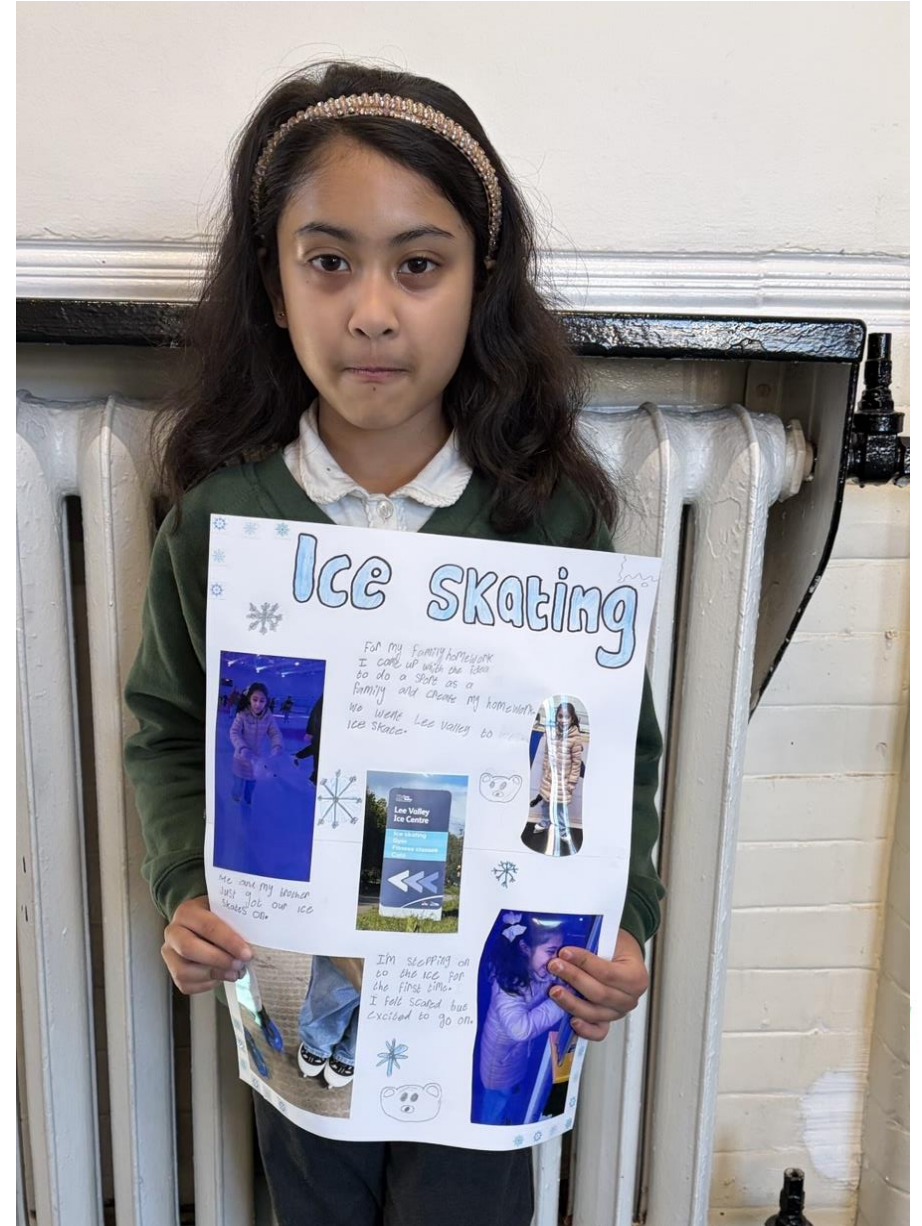

Willow

I made a football pitch.
First I got a shoebox and
then painted it green. Then
my sister cut strips and put
it on the pitch. Then we
made the people and put
numbers on it.

Birch

For my family homework, I came up with the idea to do a sport as a family. Me and my family went to Lee Valley to ice skate. Me and my brother got our ice skates on. It was my first time stepping on to the ice. I felt scared but excited to go on. I had an amazing time.

Birch

My mum helped me to make a ball and medal. We used paper and card to make it. I used lots of colours to make it look bright. My favorite part was colouring the ball and medal. I am very happy with my homework.

Ash

My helped me with my family homework. We drew pictures of winning a cup and gold medals. I drew a t-shirt of Ronaldo because he is a great football player.

Ash

I made a football pitch for my family homework because I like playing football.

Maple

My parents and grandparents helped me make the cup.
I cut some cardboard into rectangles.
I got paper and shaded the Colombian flag.
I felt very happy and astonished once I saw the cup.

Maple

My family homework is about tennis because now we are doing tennis in PE. It inspired me to draw 2 people playing tennis.

Aspen

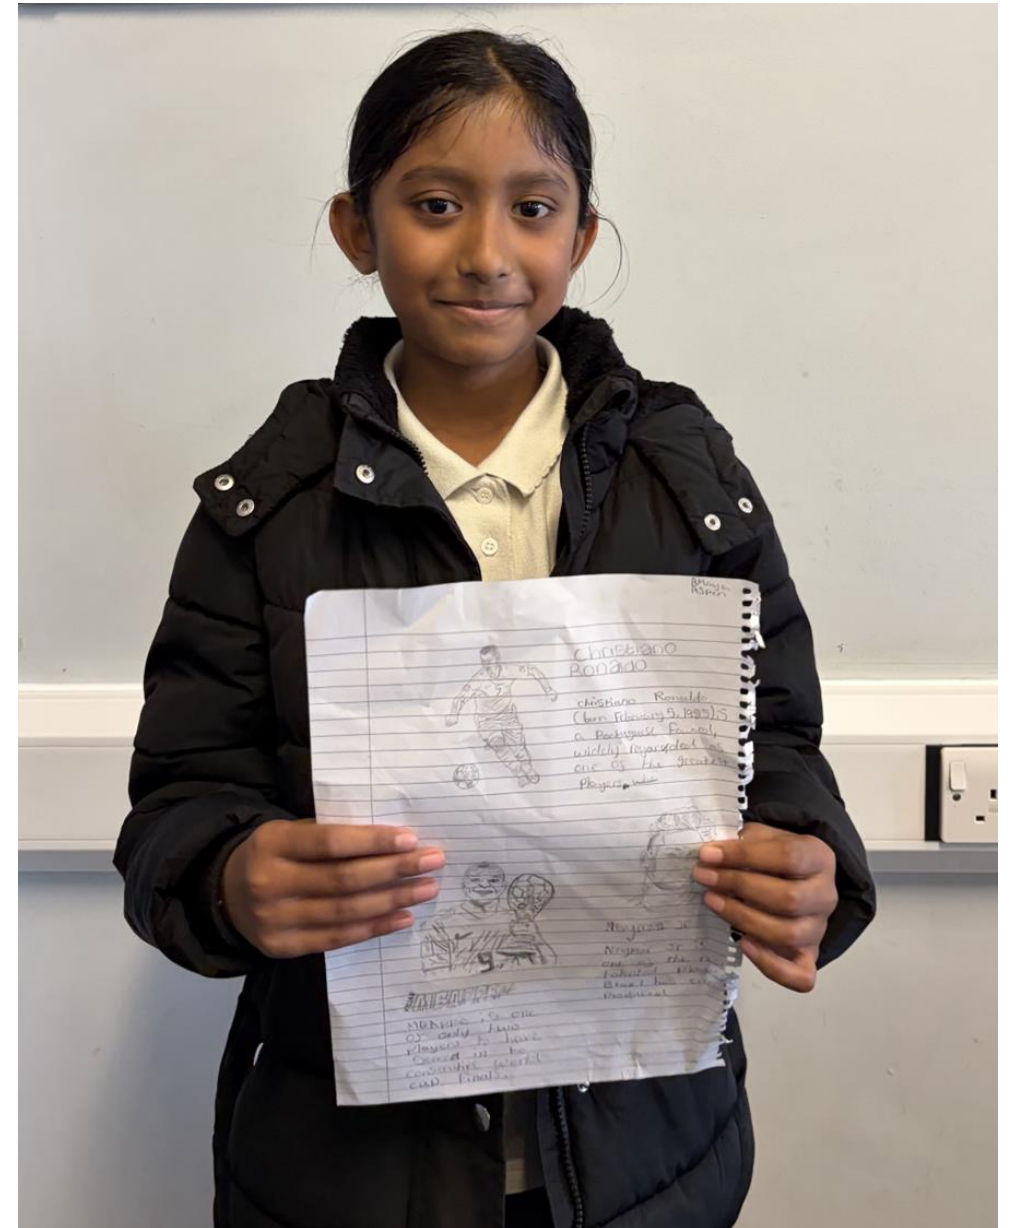

I made a WWE Championship trophy belt. My mum and dad helped me. I used glue, paper, foil, card tape and markers. I also made a separate trophy using a paper towel roll.

Aspen

I made a fact file about three famous sports figures. I researched them online with my sister and I did the drawings myself.

Blackthorn

My mum and I made an Olympic torch inspired by a purple crystal. We also saw the Victoria Olympic Park- which was great fun.

Blackthorn

I made a trophy with my dad. First we folded a box to look like a trophy. We then painted over it to make it realistic.

Beech

I made a football table using a box and pegs as the players. I did this with my mum.

Beech

I made a 3D poster the Olympics which has a fact file, the Olympic torch and medals. I did this with my mum and had lots of fun.

Hawthorn

I decide to make a poster about the many different sports that people enjoy.

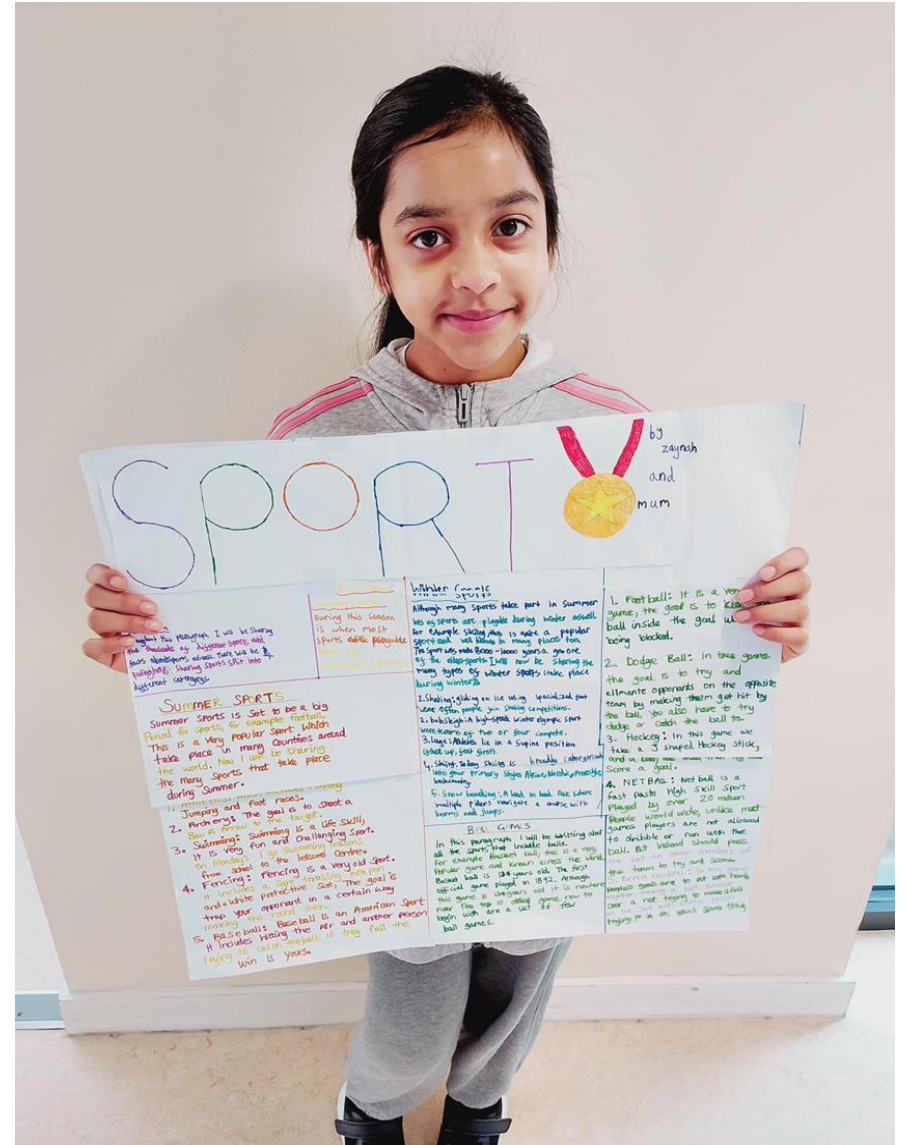

Carob

First I drew the medal
then I painted it. I left
it to dry, then my
mum cut it out.

Carob

Throughout this the making of this poster, I wrote about many different sports and my mum helped me. I used A3 paper and half an A4 paper. I used tape, scissors and felt tips. My favourite part was researching because I got to spend time with my mum.

Rowan

I used black card,
pearl beads to make
my ballerina
silhouette.
